Burr Ridge Police Facility Designated as “Early Voting” Site

On April 19, 2011 we met with a representative from the DuPage County Election Commission regarding the use of the Police Department as a DuPage County “Early Voting” site. In the past, early voting has been held at the Five Seasons Sports Club, but they have opted to no longer host the Early Voting as of the April 2011 election. Voting would be held in the foyer area of the Police Department for 18 days prior to the official Election Day, between the hours of 9:00 a.m. and 7:00 p.m., Monday through Friday, with the possibility of Saturday and Sunday with shorter hours. We expect this to be a popular site as it is the only site to serve the residents in the southeast corner of the County. During the past election, there were 700 voters that took advantage of the Five Seasons location, with 3,344 during the prior election.

IML Statehouse Briefing

The Illinois Municipal League’s *Statehouse Briefing Report* for April 18, 2011, including printouts of items regarding preserving state-collected local government revenues and pension reform, is available for review at the Village Hall.

In addition, the IML has prepared a “Local Revenue Preservation Packet” for use in building opposition to any attempt by the General Assembly and Governor to reduce state-collected local government revenues. These materials include basic facts and trends concerning state-collected local government revenues, a calculator to determine the financial impact of revenue reductions for each community, as well as a model resolution, press release and letters that can be used in their current form or modified accordingly. These documents can be downloaded from the IML website.
